- Size H/8/5mm crochet hook or size needed to obtain gauge
- Metal bottle caps: 19
- Tapestry needle
- Stitch marker

GAUGE

Rnds 1–3 = 1½ inches in diameter

What the Hex Trivet

Design by Elizabeth Ann Smith

PATTERN NOTES

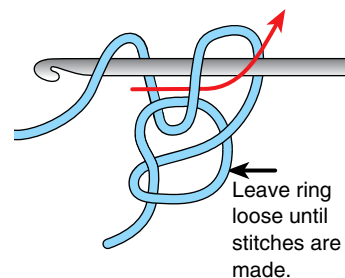

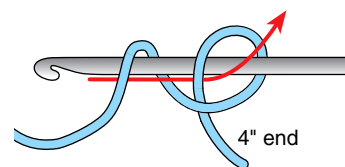

Work in continuous rounds; do not turn or join unless otherwise stated.

Mark first stitch of round.

CIRCLE

Make 5 each black licorice, white & mod blue, & 4 robin's egg.

Rnd 1: Make slip ring (see illustration), 6 sc in ring, pull end to close ring, **do not join** (see Pattern Notes), place marker (see Pattern Notes). (6 sc)

Slip Ring

The little motifs in this hexagon-shaped trivet are created by crocheting over bottle caps. This method creates a durable and thick hot pad.

Rnd 2: 2 sc in each sc around. (12 sc)

Rnd 3: [2 sc in next st, sc in next st] around. (18 sc)

Rnd 4: Working in **back lps** (see *Stitch Guide*), [**sc dec** (see

Stitch Guide) in next 2 sts, sc in next st] around. (12 sc)

Rnd 5: Holding bottle cap with top of cap to WS of Circle, [sc dec in next 2 sts] around. (6 sc)

Leaving long end for sewing, fasten off. Thread end through last sts on Circle and pull to close.

ASSEMBLY

Using long ends, sew Circles together using photo as a guide.
